Re: Steinhardt Management, Inc. v. Bohn
Adv. # 14-01241 Case No. 13-35854 (RG)
OSC Return Date: Nov. 17, 2015

Dear Judge Gambardella:

We represent plaintiff-creditor Steinhardt Management, Inc., in this non-dischargeability action. We have today received the Court's *sua sponte* Order to Show Cause ("OSC") to dismiss for lack of prosecution, returnable November 17, 2015.

Some time ago the parties reached a settlement (please see annexed). Debtor's counsel stated that she would notify the Court of the settlement. In light of the OSC, it is unclear to us whether the Court was in fact notified.

In any event, the terms of the settlement require the Debtor to pay plaintiff \$10,000 by November 15, 2015, and that a stipulation of discontinuance be filed within 10 days thereafter.

Accordingly, we respectfully request that the Court either withdraw the OSC or, in the alternative, adjourn the return date for two weeks to allow time for the settlement check to clear and, assuming it clears, for the stipulation of discontinuance to be filed. In all likelihood, the OSC will become moot.

We thank the Court for its consideration of our request and apologize for any inconvenience.

Respectfully,

S/ David Tolchin
